COCKTAIL

LE PAMPLEMOUSSE

23

gin | pavan | grapefruit | fresh lemon juice | simple syrup

a bright, French-inspired cocktail blending dry gin with floral Pavan orange blossom liqueur, fresh grapefruit, and a touch of lemon. Light, refreshing, and perfectly balanced.

WHITE

2024 AMPERSAND

95

chardonnay | pemberton | wa

Artfully capturing the region's fruit freshness with hints of white peach and grapefruit, enhanced by a subtle touch of oak and textural complexity. The wine is floral and expressive with lime granita, ginger, grapefruit pith and a hint of gun smoke. Fresh and focused, a strong citrus core drives an intense and generous palate. Flavours of jasmine blossom and lemon curd lead to a pithy, chalky and refreshing finish.

RED

2018 WILOUGHBY PARK

75

'kalgan river' shiraz | albany, great southern | wa

Cool-climate Shiraz with a few years of bottle age, offering dark berry and plum flavours layered with pepper, spice and subtle oak. Medium-bodied with softening tannins, balanced acidity and a smooth, savoury finish.

on the jetty

The **Mends Street Jetty**, originally built in 1894, has been a cornerstone of South Perth's history, linking the growing community to the city and serving as a gateway to the beloved Perth Zoo, which opened in 1898. It gained prominence with ferry services like the iconic Duchess, which carried thousands of visitors across the Swan River to enjoy the green spaces, river views and recreational offerings of South Perth, establishing **the jetty** as a vibrant hub of activity.

By the early 20th century, **the jetty** became more than just a transport hub — it was a social gathering point and a scenic escape from the growing bustle of the city across the river. However, ferry usage declined in the mid-1900s due to the rise of car ownership and bridge infrastructure, but tourism and leisure activities around the area continued to grow.

Over the decades, **the jetty** has evolved significantly. In the 1970s, it was rebuilt, and in the 1990s, it underwent modernisation, adding facilities like the restaurant that now houses **Mr. Walker**, offering one of Western Australia's unique jetty dining experiences.

In 2020, **the jetty** was extended seeking to improve accessibility as part of the Connect South project. This project revitalised the foreshore, also creating the "Minderup" public art precinct with its striking numbat & lizard canopies, sculptures inspired by native wildlife, and the projected light shows at night, all helped transform the area into a welcoming arrival point for ferry passengers, both local and tourists alike, and to reinforce **the jetty's** status as a South Perth landmark.

Today, **the jetty** remains an iconic feature of the South Perth foreshore and is a blend of history and modernity, a meeting place for locals and visitors alike. As you enjoy our carefully curated wine list, featuring **70% selections from Western Australian vineyards**, raise a glass to the jetty's enduring legacy, where the charm of the past meets the energy of the present.
